

Shawn Doyle

THE 10 FOUNDATIONS OF MOTIVATION

Do you lack motivation? Are you motivated but would like to be *more motivated*? Is there someone you know that you would like to be more motivated? Then don't miss this presentation!

DESCRIPTION:

In this session Shawn Doyle, one of America's hottest speakers will share with you the ten powerful secrets of getting and staying motivated! Based on his book, *The 10 Foundations of Motivation*, this humorous, energetic and unique presentation will capture your heart with real life stories and examples. You will laugh and cry, get FIRED UP and ready to live the life of your dreams!

ABOUT SHAWN DOYLE

Shawn is the founder and President of New Light Learning and Development Inc., a leadership, development, motivation, and sales effectiveness company. Some clients include Pfizer, Comcast, Charter Media, IBM, Kraft, Microsoft, and Los Alamos National Defense Laboratory.

From 2000- 2003 Shawn co-founded a highly successful Corporate University for Comcast Cable - a Fortune One Hundred company. In the role of Vice President of Learning and Development, he developed comprehensive leadership programs for the supervisory, managerial and executive levels. He also oversaw the development of a broad based curriculum, which was used nationwide.

He is a member of The Toastmasters International and The National Speakers Association.

He has had articles published in *Creative Training Techniques*, *Training Magazine* and Miller - Heiman's *Best Few*. He is the author of six books in the last four years - *The Ten Foundations of Motivation* (iUniverse), *Sales Science* (Café Press), *The Manager's Pocket Guide to Motivating Employees* (HRD Press), *The Manager's Pocket Guide to Training* (HRD Press), *Juiced! - How to be more creative in business and in life!* (Café Press), and *Wired! How to Get Creative and Stay Creative in the Cable World* (Anfang Jetzt Publishing). He has also recorded four CD's on creativity, motivation and presentation skills. His book on motivation has been published this year in Australia, New Zealand, Malaysia and Singapore. His newest article on presentation skills will be published by *Toastmaster magazine* in 2008.
